**Plea Made for Fishing Tackle For Servicemen Who Are Overseas**

From the soldiers and sailors in the remote posts of the Aleutians and the South Pacific has come a request for fishing tackle. Inspired by a broadcast from Gov. Ernest A. Gruening of Alaska, the San Francisco League for Service Men has undertaken to supply the need.

The response has been remarkable, every mail, for weeks having brought to the league's headquarters at 1430 Van Ness ave., San Francisco, bundles of lines, hooks, flies, gaffs, rods and reels, which Joseph Springer, secretary of the Pacific Rod and Gun Club, estimates at a retail value of \$5000.

Springer personally goes over all the tackle and reconditions it. Rods and reels are put into the best of working order and shipped for general camp use. Hooks, lines and sinkers are assembled in neat little packets which service men can carry in their kits. As fast as the packets are assembled, they are sent out to the men at distant posts.

These posts are close to waters that team with fish. Catching them is recreation for the boys, and it means supplementary food for the mess hall menu. It is also pointed out that a handy, compact fishing kit might be of great value to any man whom circumstance has separated from ration supply, either on land or at sea.

The appeal for fishing tackle is now being made throughout the west. Thousands of anglers have tackle that can be reconditioned. Contributions are being sent to league headquarters in San Francisco.

**Lomita-S. P. P.T.A. Council Elects Officers**

Mrs. M. C. Isaacson was elected president of the Lomita-San Pedro P.T.A. Council last Thursday. The meeting was held at the Barton Hill school. Other officers elected were: Mrs. J. Garner, first vice president; Mrs. Roy Palmer, second vice president; Mrs. Charles Lindquist, secretary; Mrs. O. I. Johnson, treasurer; Mrs. John Socolich, auditor; and Mrs. Kenneth Swartz, historian.

The June Council breakfast and installation will be held at the Methodist church Friendship Hall, June 18 with Seventh Street, Lomita Elementary, Fern avenue and Point Fermin P.T.A.s acting as hostesses.

**Gateway Election Set**

Election of officers of the Gateway P.T.A. Council will be held at Dana Junior high school at 10 a. m., Monday, April 5. Nominations for the new officers are:

President, Mrs. Robert R. Tompson, San Pedro high school; first vice-president, Mrs. J. O. Holland, Dana Junior high school; second vice-president, Mrs. W. F. Huppe, Narbonne; secretary, Mrs. Virgil Keith, Dana Junior high school; treasurer, Mrs. William Tolson, Torrance high school; auditor, Mrs. W. J. Donaher, San Pedro high school; P.T.A. historian, Mrs. Jay Saunders, Banning high school; and Mrs. R. L. Garner, Gardena high school.

**LAND-GOING CRUISER** — Crew seeks "Wave," "Spar" and Navy recruits in Harbor area.

A unique type of navy cruiser is scheduled to visit San Pedro Monday, April 5. This land-going cruiser is manned by a crew of men from the Navy Recruiting Service and is carrying a number of "Waves" and "Spars" who represent the newest addition to Uncle Sam's Navy. The cruise throughout Southern California is being carried on in the interests of procuring enlistments in the "Waves-Sparks" branch of the Navy Reserve.

The U. S. Wavespar will drop anchor at 9th and Pacific ave. at 2 p. m. and remain there for several hours. The public is invited to call on members of the crew who will dispense information relative to enlistment in all branches of the Navy. While the cruiser lies in San Pedro, Chief Yeoman Wallace of the

recruiting station in that city and the personnel of his station will cooperate to make Monday, April 5 an outstanding day in Navy recruiting in San Pedro.

**WERE NEVER Satisfied!**

**RATION BOARD OFFICE HOURS**  
Daily, including Saturday, 8 a. m. to 5 p. m., at 2300 Carson st.

**New Food Point Values Reviewed**

Processed Food Changes Noted

All dried and dehydrated fruits are temporarily removed from rationing, and point values of all fruit and vegetable juices and dehydrated soups are lowered sharply, in the first revision of point values under the Office of Price Administration's processed foods rationing program.

The new "Official Table of Point Values for Processed Foods" for the month of April became effective Monday, coinciding with the start of meats-fats rationing. While reductions predominate in the new table, point values of more than a half-dozen items, including applesauce, peaches, pineapple, and canned fresh lima beans are raised from their March levels. Apple juice is taken off the ration list.

Aside from these, there are no other changes of major importance in the April list, which reflects nearly one full month's experience in nationwide buying habits since the processed foods program first was launched March 1.

As announced previously, consumers have an April allotment of 48 points per person, represented by blue stamps lettered D, E, and F in War Ration Book 2. The A, B, and C blue stamps expired yesterday.

Point values now in effect for meats, cheeses, fats and oils, and canned fish disclose that meats-fats rations are relatively more liberal than the rations of processed foods. The weekly allotment of 16 points per person, represented by red stamps in War Ration Book 2, compares with an average weekly allotment of 12 points per person under the canned goods program. On a "per pound" basis, the point values of individual items under the meats-fats program are sharply lower.

Almost all popular meat cuts have point values of eight points a pound and less. Butter is assigned a value of eight points a pound and a similar point value is given to all of the rationed cheeses. All canned fish is valued at seven points a pound.

OPA officials emphasized that while the first point values under the new program have been set with the most careful regard to supply and consumer preferences, it is not possible to gauge these and other factors in advance with absolute accuracy. Adjustments will be made whenever they are indicated to be necessary by actual operations under the program.

**Think twice before you travel on the Train**

Unless your trip is really essential, you'll do your country a service by staying home

Transportation is a key war industry. The war load on the railroads is mounting steadily. Southern Pacific trains are very crowded—not comfortable as they used to be. Military and other essential travel comes first. And when these essential travelers have been taken care of there is really no room on the trains for people traveling unnecessarily. Unless you absolutely have to travel, we advise you to stay home. Thanks for your cooperation.

**Trout Season Opens May 1**

Trout season will open as usual on May 1 in California, according to George P. Miller, executive secretary of the State Division of Fish and Game. Many rumors are being circulated to the effect that because of the war conditions, the streams in California will be closed.

"This is not a fact," Miller said. "In view of President Roosevelt's announcement that the people need relaxation and in the interest of the war effort as possible, we have gone ahead with the program that contemplates a catch that will exceed even that of last year."

"The Division of Fish and Game will make no closures other than those essential to conservation and protection of trout, and these will be no greater than the closure of streams that have been made during peace times."

**Bomber Drives Prove Popular**

Thirty-five Southern California communities—including Torrance—not only have "bought" 27 Army bombers and nine pursuit ships, valued at \$9,275,000 in War Bond drives the past three months, but the momentum they attained rolled up additional sales of \$3,245,000.

The figures, received by the local War Savings committee this week from Los Angeles headquarters, show that 10 bombers and six pursuit ships were sponsored by Los Angeles county suburban towns, while 19 communities in the area's other 10 counties financed the remainder of the air fleet.

**State Picnic-Reunions**

**KANSAS**... The spring reunion for all Kansans in the Southland will be held Saturday, April 3, in Sycamore Grove Park, Los Angeles.

**CAR PRODUCTION**  
More than \$6 million motor vehicles have been produced in the United States since 1900.
